

FOREWARN Partners with Greater Hartford Association of Realtors to Deliver Real Estate Agent Safety Solution to the State of Connecticut

November 28, 2017

Association purchases FOREWARN services for its entire membership and is named exclusive reseller of FOREWARN to the Connecticut real estate industry

FOREWARN delivers a proactive, real-time real estate agent safety solution, enabling agents to immediately verify client identity and mitigate risk

BOCA RATON, Fla.--(BUSINESS WIRE)--Nov. 28, 2017-- FOREWARN, LLC, a cogint company (NASDAQ: COGT), and the leading provider of real-time information solutions for real estate agents, today announced a partnership with the Greater Hartford Association of Realtors (GHAR) to bring FOREWARN™ to GHAR's 4,000+ members and the rest of the Connecticut real estate industry.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity using just a phone number, searching for criminal histories, and validating information provided by potential clients such as financial and asset information.

GHAR has purchased FOREWARN services for the entirety of its 4,000+ members. Additionally, FOREWARN has named GHAR as the exclusive reseller of FOREWARN for non-GHAR members in the state of Connecticut.

"We created FOREWARN to fill a significant industry void as, until now, we believe real estate agents have had insufficient information to ensure their safety," said James Reilly, President of FOREWARN. "In an increasingly digital world, 50% of potential buyers are coming in unverified, which poses safety risks for agents meeting at unsecure locations for the first time. We believe that FOREWARN is an essential resource for the real estate industry to ensure realtor safety and our partnership with GHAR will allow over 4,000 member agents to have better peace of mind as they do their job."

"We are thrilled that FOREWARN has brought this innovative solution to market to meet a significant need of the real estate industry," said Carl Lantz, President of GHAR. "We are excited to be the first association to comprehensively adopt this solution for the entirety of our membership and to be the exclusive agent of FOREWARN to the Connecticut real estate industry."

To apply for FOREWARN, GHAR members should visit www.forewarn.com/ghar/. Connecticut-based agencies and agents who are not GHAR members should visit www.forewarn.com/ct/. All other real estate agents should visit www.forewarn.com.

About FOREWARN™

At FOREWARN, we bring knowledge to the real estate industry through innovative solutions to ensure safer engagements and smarter interactions.
