

FOREWARN Partners with Emerald Coast Association of Realtors

March 9, 2018

Association purchases FOREWARN services for its 3,000+ members to promote proactive agent safety

BOCA RATON, Fla.--(BUSINESS WIRE)--Mar. 9, 2018-- FOREWARN, LLC, a cogint company (NASDAQ: COGT), and the leading provider of real-time information solutions for real estate agents, today announced a partnership with Emerald Coast Association of Realtors (ECAR), whereby ECAR has secured FOREWARN™ for all 3,000+ members in an effort to promote proactive real estate agent safety.

Available both online and through a mobile application, FOREWARN analyzes billions of data points and provides users with the ability to mitigate risks by verifying identity using just a phone number, searching for criminal histories, and validating information provided by potential clients such as financial and asset information. FOREWARN allows agents to properly and safely plan for showings with a higher level of confidence.

The FOREWARN services purchased by ECAR will be available to ECAR's entire 3,000+ agent members at no cost.

"We're excited to announce that the Emerald Coast Association of Realtors has joined the growing number of leading organizations to take a proactive stance regarding real estate agent safety," said James Reilly, President of FOREWARN.

"Agents across the country are citing safety as a leading concern," said Keith Dean, CEO of Emerald Coast Association of Realtors. "By partnering with FOREWARN, our 3,000+ agents can enter showings and meetings with increased certainty and confidence. Real estate is an industry often overlooked in terms of tools and safety, and we're looking forward to sharing the benefits of FOREWARN with all the current and future ECAR members."

Existing ECAR members will receive specific instructions on how to move forward with activating their FOREWARN subscription.

All other real estate agencies and agents can learn more about FOREWARN at www.forewarn.com.

About FOREWARN™

At FOREWARN, we bring knowledge to the real estate industry through innovative solutions to ensure safer engagements and smarter interactions. Leveraging powerful analytics and a massive data repository, our solutions enable real estate professionals to gain real-time knowledge, for purposes such as verifying identity, searching for criminal histories, and validating information provided by potential clients such as financial and asset information. Risk assessment and due diligence at your fingertips™.

FORWARD-LOOKING STATEMENTS

This press release contains "forward-looking statements," as that term is defined under the Private Securities Litigation Reform Act of 1995 (PSLRA), which statements may be identified by words such as "expects," "plans," "projects," "will," "may," "anticipate," "believes," "should," "intends," "estimates," and other words of similar meaning. Such forward looking statements are subject to risks and uncertainties that are often difficult to predict, are beyond our control and which may cause results to differ materially from expectations, including whether using FOREWARN will benefit ECAR members. Readers are cautioned not to place undue reliance on these forward-looking statements, which are based on our expectations as of the date of this press release and speak only as of the date of this press release and are advised to consider the factors listed above together with the additional factors under the heading "Forward-Looking Statements" and "Risk Factors" in cogint's Annual Report on Form 10-K, as may be supplemented or amended by cogint's Quarterly Reports on Form 10-Q and other SEC filings. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law.
