SearchMedia Partners with Local Firms to Win
Hangzhou Tourism Commission's 2012 Overseas Outdoor Campaign

Shanghai, China, February 10, 2012 – SearchMedia Holdings Limited ("SearchMedia" or the "Company") (NYSE Amex: IDI, IDI.WS), one of China's leading nationwide multi-platform media companies, today announced that the Company partnered with multiple local firms including Win Media and Asia Outdoor to win the tender for the Hangzhou Tourism Commission's 2012 Overseas Outdoor Campaign (the "Hangzhou Campaign").

SearchMedia and its partners will launch a one year, multi-platform campaign across the United States, the United Kingdom, Spain, Germany, the Netherlands, Japan and Korea to promote Hangzhou's tourist attractions. The Hangzhou Campaign is expected to bring in approximately \$2 million of revenue in total.

Johnny Lo, Chief Operating Officer of SearchMedia, commented, "We are excited for this achievement on two fronts. First, winning the Hangzhou Campaign demonstrates the effectiveness of partnering with local firms, a new initiative we launched to better target local commercial and public sector contracts. Moving forward, we believe this initiative will continue to help us better target similar contracts. Furthermore, this project will be an opportunity for SearchMedia to showcase our capabilities. China is recognized as a compelling market for international advertisers. This campaign also highlights the growing trend of domestic Chinese companies advertising internationally. We believe this project will bolster our credentials to lead such future international campaigns."

About SearchMedia

SearchMedia is a leading nationwide multi-platform media company and one of the largest operators of integrated outdoor billboard and in-elevator advertising networks in China. SearchMedia operates a network of high-impact billboards and one of China's largest networks of in-elevator advertisement panels in 50 cities throughout China. SearchMedia's core outdoor billboard and in-elevator platforms are complemented by its transit advertising platform, which together enable it to provide multi-platform, "one-stop shop" services for its local, national and international advertising clients.
